Our in-house sound system covers all areas of the venue and plays a great range of music that we all know and love.

In the Whisky Lounge, we can alter the volume to suit, and we have a microphone for speeches in The Snug.

Both TV screens are available to use and require a laptop for rolling photos (we can provide the HDMI cable). Perfect for those embarrassing 21st pics!

❖ DECOR ❖

Minimal decorating can be done, so long as it is removed on the night and no damage is done to the venue.

❖ BOOKING INFO ❖

To book your event please email us at dutymanager@thegoodhomelincoln.co.nz

BEVERAGES

We supply an extensive range of New Zealand's top wines, tap/bottle beers, spirits and non-alcoholic beverages.

There are a number of ways to set up and operate different bar tabs for you:

❖ FULL BAR TAB ❖

You can specify the range of beverages available as well as the spend limit.

Your guests will charge the full amount of their drink onto your tab. Our staff will keep track of you and your guests spend throughout the evening and will advise when this is reached. You can then increase the tab limit or choose to move it over to a cash bar.

❖ 50/50 BAR TAB ❖

A popular option for large groups as your tab will last generally last longer and your guests are happy with less expensive drinks.

This option is where half the price of the drink will go on the tab and the other half will be paid for by the guest. Again, our staff will keep track of your spend and once the limit is reached you can either increase the limit, or move over to a cash bar.

❖ CASH BAR ❖

Your guests can pick and choose as they please from the full beverage list and pay individually at the bar.
